## PROPERTY CLAIMS

During times when your insured is in need, having a company that you can count on is critical.

SCI is a multi-line adjusting firm with years of experience, founded with professional customer service in mind. SCI has become one of the industry's premier adjusting service providers. Carriers and TPAs alike, look to develop partnerships with vendors who deliver a fair and consistent service on each and every claim, and have their customer's best interests in mind. SCI strives to be "the business partner of choice" by consistently delivering a quality product to our customers with superior customer satisfaction.

Our team of professionals are standing by, and welcome the opportunity to show you the difference that quality service can make for you and your insured.
